**STRENGTHENING OUR LEGACY,
BUILDING OUR FUTURE**

TUCSON UNIFIED
SCHOOL DISTRICT

Letter from the Director

Dear Students, Families, and Community Partners,

On behalf of the African American Student Services Department, it is with profound pride and deep gratitude that I extend heartfelt congratulations to all of our students being honored for their academic excellence during the 2024-2025 school year.

This year, we proudly celebrate the 38th Annual African American Student Services Recognition Program — a testament to the enduring legacy of brilliance, resilience, and hope that defines our community. Reaching this milestone in today's challenging landscape makes your achievements even more significant. At a time when our nation wrestles with profound questions about equity, justice, and opportunity, your success stands as both a triumph and a declaration: we are still rising.

To our outstanding students, your dedication, perseverance, and commitment to excellence inspire us all. In the face of uncertainty and shifting winds, you have remained steadfast. Your achievements are not just personal victories; they are acts of resistance, symbols of hope, and seeds of transformation for generations to come.

To the parents and guardians, your unwavering love and belief in your children's limitless potential have been the firm foundation upon which these successes have been built. Your sacrifices, encouragement, and faith fuel the dreams of today and the progress of tomorrow.

To our community, your partnership and presence remind us that we are never alone in this journey. In a time that demands collective action and courage, your investment in our youth continues to shape a future rooted in justice, opportunity, and shared triumph.

As we honor this year's scholars, let us hold fast to the truth that education remains one of our greatest tools for liberation. The brilliance we celebrate tonight is a light that no challenge, no policy, and no political climate can extinguish.

Congratulations to each of you. You are the dream, the promise, and the proof that our future is bright. We stand with you, we celebrate you, and we believe in the extraordinary places your gifts will take you.

In community and hope,

Dr. Tonya R. Strozier
Director, African American Student Services Department

Dr. Anna Jolivet Award

Dr. Jolivet was a renowned local educator who grew up in Tucson, Arizona and attended Dunbar-Spring school and Tucson High school. She modeled academic achievement as a student who graduated with her undergraduate and doctoral degree from the University of Arizona.

Dr. Jolivet was an advocate for fine arts and served as a music teacher prior to becoming the first African American female to work as a principal in TUSD. Her legacy and commitment to serving the Tucson community lives on through the Education Enrichment Foundation (EEF) and other organizations. Dr. Jolivet was a founding member of EEF, an organization serving TUSD students.*

**For students who participated in Fine Arts and/or Athletics with at least a 3.25 GPA, earned 95% attendance, and were active in community service for the school year.*
