Dear Parents,

**February** is coming up and it is going to be a very busy month for us. On Thursday the 6th and Friday the 7th I will be in Phoenix for a G.A.T.E. conference. I am hoping that students will behave for the substitute. The next week we have half days on Thursday the 13th and Friday the 14th for Parent/Teacher conferences. I will let you know if I need to meet with you. And the week after that we do not have school on Thursday the 20th and Friday the 21st for Rodeo Break. After we come back from that we will be getting ready for 3rd quarter benchmark testing. Please keep working with your children to complete his/her nightly assignments.

Sincerely,  
Mrs. Lake
