301 professional learning community (PLC) work will be worth approximately 2/3rds of the pay for performance stipend, and will call upon teachers at all levels and across all subject areas to improve student achievement. PLCs will focus on strategies, differentiation, planning and targeting students to increase performance. Student performance will be assessed in the 33% student growth data portion of the teacher evaluation.

301 Requirements: As outlined in Exhibit C, the PLC Framework is comprised of 4 pillars: Vision, Mission, Values, and Goals. The school’s vision and mission statements are due to leadership by August 26, 2016. The school’s value pillar, “collective commitments” is due to leadership by September 23, 2016.

Attendance: All 301 PLCs will meet, at a minimum, ten hours during the year to plan, report on progress, review data and monitor and adjust the plan. These 301 PLC meetings may be a part of a larger PLC plan at the school level, but for these ten hours total, the 301 PLC work must focus upon the support being provided to increase student achievement. For 3/5ths of that time (6 hours), PLCs will be allocated at least six Wednesday staff development days.
Plan Components

- Should a PLC member miss a 301 PLC meeting, he/she shall make up the time as determined by the 301 PLC. At the completion of the PLC work by February 22 the administrator will verify eligibility via the PLC verification form provided by the district. Individuals who are deemed ineligible would not receive either of the 301 PLC component (approximately 2/3rds) and the teacher classification component (approximately 1/3). Sign in sheets for each meeting will be kept by each 301 PLC and submitted to the principal. The PLC Verification sheet will be generated centrally and sent to the site at the beginning of February.

- Note: The minimum number of 301 PLC hours will have to be conducted by February 24, 2017. The 301 PLC Verification Form is due to the office of Curriculum & Instruction by March 3, 2017 for payment in May 2017. 301 PLC sign in sheets must be reviewed by the principal and filed at the school for review as needed.
Payment for eligible persons who meet the plan’s criteria

- 2/3rds – Plan Component: PLC participation
  - Paid in May of current school year

- 1/3rd – Plan Component: Evaluation – Final Classification
  - Paid by December of the following school year
