CELEBRATION OF THE STARS

Tucson Unified celebrates its Stars!

Tucson Unified School District celebrated some of the stars in the District at the annual Celebration of the Stars event last week at Catalina High School.

The event kicked off with a reception featuring sweet and savory appetizers cooked up by the district's Culinary Arts students and music by Tucson High's Jovert steel drums. Next, the program began with Sabino High School's state champion cheerleaders, followed by a stirring rendition of the National Anthem by Sahuaro's choir. Doolen Middle School student Arturo Sinohui-Garcia led the crowded auditorium in the Pledge of Allegiance.

The district honored all of its Campus Teachers of the Year before moving to the district level awards in 11 categories.

Congratulations to all of our nominees and winners. It was a great night, and it was exciting to see so many of the district's outstanding family come to support each other. You can see a synopsis of the celebration above and/or check out the following videos created for the event:
