#TeamTUSD: Print Shop

Check out our hard-working Print Shop crew! They are our first #TeamTUSD for the new school year. The Print Shop can handle all of your printing needs, from banners to flyers to fat heads (those giant cutout faces). If you need printing, help is just a phone call or email away.

Contact Gary Hawkins and his team at 225-5437 or Print.Shop@tusd1.org. If you would like your team to featured in #TeamTUSD or would like to nominate a group of students, teachers and staff, please send us an email at media@tusd1.org. Check out previously featured teams [here](#).

Have you seen Tucson Unified during the Olympics?

Tucson Unified is in Rio! Well, maybe not in Rio, but our commercial is airing during the Olympics. If you haven't caught it yet, check it out above. And if you have friends who are in the job market, please send them to <http://jobs.tusd1.org/> to see our latest openings.

New student info system ready for you

As you may have heard, the district is moving to a new Student Information System called Synergy. The new system allows you to see your student's information through the [ParentVUE web page](#) and ParentVUE App for iOS and Android. Download the apps to your phone from the AppStore or Android Market.

Collier Elementary sends Olympian a video!

This week, Bernard Lagat is competing in the 5000m in Rio. Collier Elementary School students and staff produced the video above as a good luck message for the Olympian, who has been a friend to Collier Elementary School for many years, running with students and families in school Jog-o-Thons.

He is the American record holder in the indoor 1500m and mile, and the outdoor 1500m, 3000m and 5000m. Bernard is a 13-time medalist in the World Championships and the Olympics, including 5 gold medals.

Good luck, Bernard, from everyone in Tucson Unified!

Here's what you need to know to get started:

--Please visit each of your children's schools and ask for your child's ParentVUE activation code.

--Go to the [ParentVue](#) web page to enter your codes and set your user name and password. Once you create your account, you will be able to log in on the App.

--On Aug. 22, we will begin displaying teacher assignments' and grades through ParentVUE.

--Please watch the video below to learn more about this powerful tool!
