## How to sign up for the StudentVUE app

If you are a district student who hasn't signed up for the StudentVUE app, which gives you access to assignments, grades and other important info, please watch the video above to learn how to set up your account. Parents can view a tutorial [here](#).

## Join SCPC and help shape the district

Parent involvement is a key driver for student success. Parent and community involvement is also vital to the success of a school district. One of the best ways to contribute to the improvement of our schools and the district as a whole is to participate in our [School Community Partnership Council](#).

The next meeting is Oct. 17. Check [here](#) for more information as it is available.

The council is a volunteer organization including parents, educators and other community members who work in partnership with district leadership and the Governing Board to provide the children of our district with the highest quality education possible.

The group meets monthly to hear about important issues affecting the district and to

## Dream It, Achieve it! Mission View's Middle School

## Mixer

Fifth-grade students at Mission View Elementary had the opportunity to mix and mingle with representatives from middle schools and ponder their futures. The school cafeteria was transformed into a relaxed space--like a living room--where families can ask questions, eat snacks and make decisions about which school they want to go to next.

### For Tucson Unified Employees: Info about retirement

If you are thinking about retiring this year we encourage you to come to one of the two retiree information sessions being held this month.

Precision Retirement will be presenting information on the options available for any deferred compensation payouts you may be entitled to.

The sessions will be held on the 17th and 18th from 3:30 to 4:30. Locations will be provided in an upcoming email.

## Check out our new property-rental site

The district is excited to launch a new web-based rental system called SchoolSpace. The site allows individuals and groups to browse our facilities, review amenities and request to rent a space online.

SchoolSpace is a user-friendly system and has more than 4,000 pictures of our school sites, square footage data and room capacities available. The site has multiple ways to search so you can find the perfect fit!

The new system also features a map of the entire district on the homepage, and you have the option of paying for your rental online with a credit/debit card. Individual renters will now be able to purchase the general liability required by the district as well.

To create an account, go [here](#) and click "Register." The system works best with the Chrome web browser.
