

Bullying Prevention Week at Tucson Unified

Last week was Bullying Prevention Week at Tucson Unified, and we would like to thank all of the people who wore orange and participated in events and activities to help bring attention to the damage that bullying can cause. The district encouraged schools to take part by signing a pledge, writing nice things about people they know, wearing orange, talking about bullying and by performing random acts of kindness. Here are a few photos from the week. You can find more on the district [website](#) and on our [Facebook](#) page.

School-community group needs your help!

Parent involvement is a key driver for student success. Parent and community involvement is also vital to the success of a school district. One of the best ways to contribute to the improvement of our schools and the district as a whole is to participate in our [School Community Partnership Council](#).

The next meeting is Nov. 21. Check [here](#) as the date draws near for more information and an agenda.

The council is a volunteer organization including parents, educators and other community members who work in partnership with district leadership and the Governing Board to provide the children of our district with the highest quality education possible.
