Open enrollment for 2017-2018 under way

Tucson Unified School District prides itself on being on the cutting edge of best practices in education.

As a district with 89 schools and programs and more than 48,000 students from all walks of life, we know the importance of diversity and the benefits of learning from each other.

Our Knowledge Changes Everything initiative celebrates the power of that diversity.

When children can work with children from other cultures, all are enriched. In Tucson Unified, we have a multitude of schools that are diverse, and parents are in the driver seat for choosing which schools make the most sense for their children.

What we want to promote is the idea that even though we are different, we can come together and be stronger. We can be stronger because of all those unique characteristics that, once bound together, create unbreakable strength.

Thanksgiving dinner tips

It can be difficult to start or maintain weight loss this time of year. On average, a Thanksgiving meal can contain 3,000 calories or more, but enjoying your Thanksgiving meal doesn't have to mean loosening your belt.

Here are some tips for everyone, courtesy of Real Appeal, a program available to employees enrolled into Tucson Unified's United Healthcare medical coverage.

1. Plan what you'll eat before. You probably know what to expect at your Thanksgiving table; own your turkey day decisions and plan how you'll fill your plate. Enjoy your favorites in moderation, and pass up on other high-fat foods you could do without. *Real Appeal members, use your Perfect Portion Plate at your meal and stay on the fast track to lasting weight loss.*
2. BYO: Bring your own dish. Offer to

African American Parent Conference

Thank you to everyone who attended this year's African American Parent Conference, which was held Saturday at Palo Verde High Magnet School. The event included interactive workshops, parent resource tool kits and keynote speaker Dr. Macheo Payne, who is an assistant professor of Social Work at California State University in East Bay.

bring your favorite healthy dish to the meal and know you have at least one option you can enjoy, guilt-free. *Real Appeal* members, triple or quadruple a recipe from the *Real Foods Guide*!

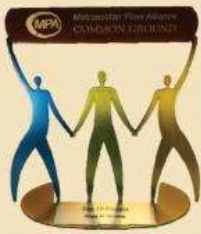

3. It's not (just) about the food. Make memories that don't involve the meal. Consider the fellowship of gathering with friends and family on Thanksgiving day. Play a game, enjoy a fire before dinner, and take time to share why you're thankful.
4. It's a one day holiday. Allow yourself to celebrate, but be mindful to not layer treat upon treat for days on end.
5. Move along. While you might not be able to stick to your normal workout routine on Thanksgiving day, you can add an extra trip up the stairs, take the dog for a longer walk, or embrace dish duty to stay active. *Real Appeal* members, check the *Walk it Off* program in your *Real Moves* guide!
